SCOPE OF SERVICES

This Contract is for the production of an Economic Development Strategic Plan and related services set forth and described in the attached Exhibit A.

Agreement Terms

1. Compensation Amount and Terms: The Contractor shall provide the services as set forth in the Attached Exhibit A in consideration for payment of **no more than \$25,000**, for a period of **July, 2022 through June 30, 2023**. Contractor will be paid the sum of **\$150 per hour** for Contractor's work for the Town and will provide **monthly invoices** that include the number of hours worked, a description of the services sufficient for the Town staff to determine what Contractor has done on the Town's behalf, the total number of hours worked that month pursuant to the Contract and a total amount due for that month's work. If Contractor total payments and invoices reaches the maximum sum of **\$25,000**, Contractor shall immediately notify the Town Manager and shall cease all work on behalf of the Town until such time as any Addendum to this Agreement is agreed to and executed.

2. Expense Allocation: Town and Contractor agree that, as part of Contractor's duties, Contractor is responsible for the Launch Knightdale program as set forth in Exhibit A attached hereto. Town and Contractor further agree that Town shall pay to Contractor the sum of seven thousand, five hundred dollars (\$7,500) as full payment for all expenses associated with this Agreement, specifically including the Launch Knightdale program. This payment will be presented to Contractor in the form of a Town check within ten (10) days of the date this Agreement is fully executed by the Parties. Town and Contractor specifically agree that this amount is intended to cover all expenses associated with this Agreement and that Contractor is not entitled to reimbursement for additional expenses, nor is Contractor required to or liable for an accounting of the expenses.

3. Conflict Between Contract and Exhibits: Should any term of the attached Exhibit A conflict with the terms contained in this Agreement, the terms of this Agreement shall control and supersede those terms of Exhibit A.

4. Warranties: The Contractor warrants to the Town that Contractor will perform the services set out in Exhibit A in a good and workmanlike manner and that it knows and will comply with all applicable laws, regulations and standard practices relating to these Services and has the expertise necessary to properly perform the obligations undertaken by this Agreement.

5. Independent Contractor: The Contractor, and its employees and subcontractors, shall perform the Services herein as Independent Contractors and are not entitled to and shall not receive employee benefits of any kind. This Agreement will not be construed in any way to be a joint venture, partnership or employer-employee relationship. The Contractor shall provide the Town any licenses, including a business license, or certifications required by federal, state or local law as well as copies of any amendments or renewals thereof. The Contractor shall give the Town at least thirty (30) days written notice prior to any cancellation, modification or non-renewal of any license and/or certification required by federal, state or local law.

6. Taxes: The Contractor further understands and agrees that it is responsible for the payment of all state and federal income taxes due and owing from the payment of the amount(s) due under this Contract.

7. Assignment and Governing Law: Neither party may assign, transfer or delegate any of the rights or obligations herein without the prior written consent of the other party. This Agreement shall be governed by and construed in accordance with the laws of the State of North Carolina and the venue for any litigation arising out of this Agreement shall be Wake County, North Carolina.

8. Release and Indemnity. The Contractor hereby releases and forever discharges the Town, its officers, agents and employees, from any and all claims, demands, expenses, costs and liabilities of any kind or nature directly or indirectly related to any personal injury and/or property damage arising out of the performance of the Service, except those claims that result from the sole negligence of the Town or a Town employee acting within the scope of the employment. The Contractor shall indemnify, defend and hold harmless the Town, its agents and employees from and against any and all claims, demands, expenses, costs and liabilities of any kind or nature, directly or indirectly caused by, arising out of, or related to the intentional, negligent or reckless acts or omissions of the Contractor, and its agents or employees, in the performance of these services.

9. Insurance. During the performance of the Service described herein, the Contractor shall:

(1) Maintain a Commercial General Liability insurance policy, with the Town named as an additional insured, to insure the Contractor and the Town against any and all injuries to third parties, including personal injury and property, and special and consequential damages, resulting from any negligent action, omission or operation by the Contractor or in connection with the services described herein. The insurance shall also include coverage for explosion, collapse, and underground hazards, where required. This insurance shall provide bodily injury and property damage limits of not less than \$1,000,000 for each occurrence, respectively, and shall provide at least \$5,000 in Medical Expenses (Med Pay) coverage. The minimum liability coverage required may be increased depending on the nature of the services provided.

(2) If this Agreement is for a design, engineering or consulting Service, maintain Professional Liability insurance of at least \$1,000,000.00 per incident, with the Town named as an additional insured.

(3) Maintain owned, non-owned, and hired Automobile Liability insurance, including property damage insurance, covering all owned, non-owned, borrowed, leased, or rented vehicles operated by the Contractor in furtherance of these services. In addition, all mobile equipment used by the Contractor in connection with the contract work, will be insured under either a standard Automobile Liability policy, or a Commercial General Liability policy. This insurance shall provide bodily injury and property damages limits of not less than \$1,000,000 combined single limit/each accident. All such policies in this paragraph (3) shall name the Town as an additional insured.

(4) Maintain Workers' Compensation insurance as required by North Carolina law and indemnify the Town and hold the Town harmless for any and all Workers' Compensation claims associated or arising out of the work performed under this Contract.

(5) Return with this agreement, before beginning the Service, an original, signed Certificate of Insurance, evidencing all such insurance required herein, naming the Town as an additional insured and stating that the coverage is primary to any other coverage the Town may possess. The Contractor shall furnish the Town immediate written notice of any changes or cancellation of any such policy. The failure of the Contractor to deliver a new and valid certificate will result in suspension of all payments until the new certificate is furnished to the Town's Risk Manager. Insurance coverage required in these specifications shall be in force throughout the Term. Municipal Exclusions, if any, for General Liability coverage shall be deleted.

Should Contractor fail to immediately provide acceptable evidence of current insurance at any time during the Term, the Town shall have the absolute right to terminate the Contract without any further obligation to the Contractor, and the Contractor shall be liable to the Town for all available remedies, in equity and at law.

(6) The Contractor will secure evidence of all insurance policies of its subcontractors which shall be made available to the Town on demand. The Contractor shall require its subcontractors to name the Contractor and the Town as additional insured parties on the subcontractor's general and automobile liability insurance policies. The Contractor shall be as fully responsible to the Town for the acts and omissions of its subcontractors and of persons employed by them as it is for the acts and omissions of persons directly employed by it.

(7) Contractual and other Liability insurance provided under this Contract shall not contain a supervision inspection or engineering services exclusion that would preclude the Town from supervising and/or inspecting the project as to the end result.

10. Termination. Agreement may be terminated by either party for convenience with no less than sixty calendar days' notice. In the event of termination, the Contractor will be paid for all Services properly rendered to the date of termination and shall promptly discontinue all Services

affected (unless a termination notice from the Town directs otherwise). In the event of any termination, the Contractor will be paid for all Services properly rendered to the date of termination and she shall (i) promptly discontinue all Services affected (unless a termination notice from the Town directs otherwise); and (ii) deliver to the Town all documents, data, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Contractor in performing the Services herein. Other than being paid for Services properly rendered to the date of termination, Contractor hereby waives any and all other claims for lost profits, lost opportunity, and for any and all other direct, indirect special and consequential damages. In the event that the Town terminates this Agreement due to the Contractor's poor workmanship, failure to perform the Service set out herein or, otherwise, for breach of the Agreement, or in the event that the Contractor terminates this agreement for convenience or otherwise, the Town may pursue and recover all remedies available at law or in equity, as these remedies are cumulative and do not exclude each other.

11. Reuse of Documents. All documents, including drawings, specifications, supporting calculations, computer software, etc., prepared by the Contractor pursuant to this Agreement are instruments of service with respect to this Agreement and Contractor shall provide at least one copy of each to Town upon Town's request. The reuse of these documents by the Town or by others authorized by the Town, whether in this project or any other project, entitles the Contractor to no additional compensation. The Town reserves the right to require the Contractor to submit copies to the Town of any Service information and documentation during and after the completion of the Service with the Contractors compensation being limited to the direct printing and copying expense and/or direct expenses to copy and supply computer information on a diskette. The Contractors indemnity, release and warranty are limited to the use contemplated in this Agreement and Contractor shall not be liable to the Town or any third party for any claim arising out of the use of the Contractors documents apart from this Agreement.
