### PURPOSE

- The Comprehensive Transportation Plan (CTP) is wrapping up the year long planning process. An update was also provided at the Joint LURB / Town Council Public Hearing on October 20<sup>th</sup>, where the presentation focused on the comments received and how the final report would address the comments.
- At the November 14 LURB meeting, staff will provide a brief summary of the final changes to the CTP report from the draft that was released for public comment. Staff will also provide an overview of what approval recommendations are being requested of LURB since the CTP involves both approving the CTP report and amending the Unified Development Ordinance (*Chapter 10 “Infrastructure Improvement Standards,” Chapter 11 “Subdivision Standards,” Appendix A “Roadway Network Plan,” Appendix B “Sidepaths & Greenways Plan,” Appendix C “Transit & Mobility Plan”*).
