

Town of Knightdale

Staff Report

Title: Pedestrian Improvements Capital Project

Staff: Mark Stephens, Finance Director

Date: July 17, 2024

Asst. Town Manger Signature: SY

Town Manager Signature: WBS

BACKGROUND INFORMATION

- Several items related to pedestrian improvements are in the CIP requests for FY25. Due to the nature of these projects, which require design work, right-of-way acquisition, and construction, completing all within a fiscal year is unlikely. For this reason, it is appropriate to establish a Capital Project Ordinance with all pedestrian related items included.

SUMMARY

- The following projects will be included in the Pedestrian Capital Project ordinance.
 - Knightdale Boulevard Crosswalks \$793,176
 - First Avenue and Smithfield Road Sidewalk Design \$450,000
 - Old Knight Road and Knightdale Boulevard Right of Way Acquisition \$100,000
- Total \$1,343,176

RECOMMENDED ACTION

- Adopt Ordinance #24-07-17-001
